This material will help develop more strength, finesse, voice-leading, and fingerboard knowledge and a few other things too...it's not easy (especially the sustains, stretches, and pinky barres), but be diligent and you'll reap the benefits.
This material will help develop more strength, finesse, voice leading, fingerboard technique, and a few other things. But it's not easy (especially the sustained, stretched, and pinky bars) so be diligent and you'll reap the benefits.
